MR. K. G. KUNJUKRISHNA PILLAI: Sir, the Bill as revised by the Select Committee was published in the Gazette on the 5th July 1943.

PRESIDENT: When was notice given that this Bill will be taken up for consideration today?

SECRETARY: On the 14th July 1943.

PRESIDENT: The Secretary tells me that the notice that the Travancore High Court Act (Amendment) Bill will be taken up for consideration today went out on the 14th July 1943. On the basis of that I proceed.

MR. M. R. NARAYANA PILLAI: That is only the general notice. Generally legislative business will be taken up for consideration only after the voting of demands. The Chair generally allows 2 days for the general discussion of the budget and 7 days for the voting of demands.

PRESIDENT: I think the point of order must prevail. There has been a very regrettable want of co-ordination in this respect. According to the notice dated 14th July 1943 it is clear that the legislative business is posted after the general discussion of the budget and after the voting of demands for grants.

RAJYASEVAPRAVINA G. PARAMESWARAN PILLAI: The notice dated the 14th July makes no reference to dates on which particular items of business would be transacted. That is only the general agenda of the session, showing all the business to be transacted during the session. For the dates, reference has to be made to the notice of the 12th June. The final agenda for each day is usually given only later.

PRESIDENT: Any how this business cannot be taken up today. It must come after the voting of demands for grants.

THE CIVIL PROCEDURE CODE (AMENDMENT) BILL.

MR. K. G. KUNJUKRISHNA PILLAI: Sir, I rise to present the report of the Select Committee on the Civil Procedure Code (Amendment) Bill and move that the Bill be taken into consideration.

MR. M. R. NARAYANA PILLAI: Sir, I object to the motion on the same grounds as advanced before.

PRESIDENT: I do not think that I need go through all the formalities. The whole of the legislative business will be taken up after the voting of demands for grants.

Honourable members may make up their minds as to whether they may not start the general discussion of the budget tomorrow. Do the honourable members consent to it? That will only be done by general consent.

The motion was put and carried.

PRESIDENT: So the general discussion of the budget will begin tomorrow. The House will now adjourn and meet again tomorrow at 12 Noon.

The House adjourned at 1-40 P. M
